To Whom It May Concern:

Re: Mr. Maddumage Ravindu Asiri Sirithunga

This is to certify that Mr. Maddumage Ravindu Asiri Sirithunga completed his internship period at Arimac Lanka (Pvt) in the capacity of an Intern – Electronic Engineer attached to the Robotics Department from 03rd January 2022 to 03rd July 2022.

Arimac is Sri Lanka's leading digital disruption agency having a product and service portfolio in the categories of Enterprise Web and Mobile, Immersive Technologies, Gaming and Digital Entertainment, Cognitive Sciences and Robotics, and Digitalization and Consumer Ergonomics. Arimac's global presence includes offices in Australia, France, United Arab Emirates, and the Caribbean.

Mr. Sirithunga's role as an Intern – Electronic Engineer is as mentioned below:

Project: Detect small obstacles on the floor using 3D sensor – Gazebo sim.

- Training for the Robot Operating System (ROS) Kinetic Kame on Ubuntu Xenial 16.04, and Git|GitLab with Visual studio code development environment.
- Robotics software development, including C++ image processing with OpenCV library.
- Research and experimental development, including design and test concepts, technical documentation, and also redesign existing solutions.

Mr. Sirithunga possesses a pleasant personality and has good PR skills to work in a team. He was always willing to take on challenges and showed a very positive attitude towards work.

We take this opportunity to wish Mr. Sirithunga all the very best in his future endeavors.

Thank you,

Yours Faithfully,

Yashodhi Perera

Senior Manager – Human Resources
